LEGO® HOLIDAY WORKSHOPS

BRICKS 4 KIDZ® school holiday workshops using LEGO® Bricks are a new and fun way for boys and girls to spend their school holidays in Hobart.

With our own special BRICKS 4 KIDZ® models and lot of creative free-play building, kids always have fun at our LEGO® workshops!

Our school holiday programs are designed for both girls and boys aged 5 – 12 and are staffed by trained, screened BRICKS 4 KIDZ® instructors. Children will rotate between different stations during our sessions and work and play with different types of LEGO® - including Technic pieces such as gears, axles, electric motors and more! We also have heaps of fun in our break times – with different ball games and fun activities!

Cost
