

SOUTHERN TASMANIAN TABLE TENNIS ASSOCIATION (INC)
KINGBOROUGH SPORTS CENTRE
JUNIOR TABLE TENNIS: TERM 3 2016

JUNIOR ROSTER

Mondays, 6 pm – 8.15/8.30 pm, commencing 25 July 2016 until 19 September 2016

(The Centre is open from 5.30 pm on roster Mondays.)

Grade 3 to 10 girls and boys (from raw beginners to experienced players) may play in this roster.

Some schools put in school teams, which are arranged by the Physical Education teacher at the school. Players should check at school first and, if the school is not arranging teams, then contact the roster co-ordinators Robert, Maureen or Nick (contact details below) who will put you in a team.

A team usually has three players. When a team has four players present one player is restricted to playing in the two doubles matches, so it is best if there are only three in the team on any one night. We hope to have around 20 teams, spread over three divisions.

Cost: All junior players must pay \$10.00 per annum for junior membership of the STTTA. There is an additional fee of \$4.00 each week (for junior roster) which must be paid each week.

Bats: Excellent beginners' bats can be bought at the Centre. The Centre also has good quality bat covers (\$7.50 each). The Centre has a small number of bats that players can borrow.

Shirts: As the balls are white, junior roster players may wear white shirts only if these are school colours.

Footwear: Players must change their shoes and wear clean, rubber-soled shoes that will not mark the floor. If they do not have spare shoes they may play in bare feet or socks, but this is not recommended.

Food and drinks are allowed in the Table Tennis Centre but not in the playing area. Kingborough Sports Centre has an excellent canteen.

Assistance from parents is appreciated very much (please contact us if you would like to lend a hand!)
