"...learning the game together"

"...awesome fun and friendship..."

The Kingborough Tigers Football Club is strongly committed to the development of the female game of AFL. We offer a high quality programme for girls starting at age 8 right through to our Womens team playing in the Tasmanian Womens League.

In 2017 our Club will offer girls teams in the age groups: 8 - 11 (Under 11), 12 - 14 (Under 14) and 15 - 17 (Under 17) in the second season of competition in the Southern Tasmanian Junior Football League.

We provide qualified and experienced coaches and a supportive environment
Matches are played on Sundays with one training session after school hours during the week. We'll kick off with a Girls Twilight Carnival held over three Friday evenings, commencing on Friday 17th March.
The full STJFL roster season will begin on Sunday 2nd April.

Come along to any or all of the "HAVE A GO" sessions - no need to book - wear suitable sporting clothing and sandshoes - join in, talk to the coaches and existing players and see what you think.....

A short parent information session will be held at the culmination of the second night on Friday 3rd March
