

Channel Saints Junior Football Team
Your LOCAL team with a proud history

Now recruiting Boys and Girls from 6 years up for our 2017 season

Playing footy is a great way to get fit and create long term friendships

Our coaches are all STFL trained and ready to guide the kids to build their confidence, communication skills which will be an asset to them outside of football
The coaches work as a team to ensure we give the players the best coaching we can for any skill level. Kids who have never played before to the experienced kids... All are welcome
A fun and safe environment for the kids to learn and build their skills

Friendly and inclusive club atmosphere, Parents are encouraged to get involved in training nights if they want to. We build on the great community spirit that thrives through the club

Training nights are Friday evenings from the 3rd March 2017, with dinner/BBQ available at our canteen each week for players, friends and family
