ANZAC DAY SERVICE & SPORTS

Wednesday 25th April 2018

The Lions Club, in conjunction with the Kingborough RSL are again organising the annual Anzac Day Service and Sports at the Snug Oval. This is an annual event and one of our major community service projects and as such we would like to involve as many members of our Community as possible in the days activities.

The day will begin at about 10.30 am with an assembly of marchers on the Esplanade opposite the oval for a short march into the oval. The Anzac Day Service will commence at 11.00 am and run for about 40 minutes. The service will include laying of remembrance wreaths by Individuals, Community groups and an address from an Armed Services person.

At about 12.00 noon we will start an athletics / novelty events carnival run by the Kingborough Little Athletics Association. These will be for children from toddlers to 13 year olds. The day winds up at about 3.00 pm with the presentation of medals/ribbons to event winners.

We seek your help to make this day successful in two ways –

- would your School like to be part of the march into the oval at 10.45 am and then lay a wreath during the Service?
- assist us in getting children to come along and take part in the sports part of the day. If you could include the attached flyer in your next newsletter to parents, this would be most helpful and placing a copy of the flyer on the School notice board would also be appreciated.
If so, could you please advise me by emailing me on lionkenhughes@bigpond.com

Your support in promoting and being part of this event will contribute significantly to its success. If there is anything more you would like to know about our proposals for Anzac Day please contact me on the above email address.

Ken Hughes
2018 Anzac Day Celebration coordinator
