2018 International Competitions and Assessments for Schools Dates and Entry form

In 2018 students in Years 3-6 have the opportunity to participate in the University of New South Wales International Competitions and Assessments for Schools (ICAS) Program.

Families are able to pay for their child/children to sit the assessments at Snug School. School staff will undertake all the administration and supervision of the tests.

Areas assessed are Digital Technologies, Science, Writing, Spelling, English and Mathematics. You can opt for your child to do one or more of the assessments. A comprehensive results document is sent to you when results are returned. Participation is optional. Full payment for each assessment will be required with entry forms and to be returned to the school office before the official closing date.

The table below shows the date and closing date of each assessment. Entries cannot be taken after the closing date.

All forms and money must be submitted on or before the due date, as Assessment materials need to be ordered and sent to us. Entries will not be taken after 3:00pm on the closing date. No late entries can be accepted.

Parents can complete the entry form and pay for all assessments now or reminders will be placed in our fortnightly newsletter prior to closing dates.

Please complete one form for each child.

Additional forms can be obtained from the school office

ICAS SUBJECT	ICAS SITTING DATE	OFFICIAL CLOSING DATE	FEE*: (INC GST)
