

# Invitation to Parents

Monday 28th May - 5:00-7:00pm

Woodbridge School cordially invites all interested parents of Grade 6 students to attend a secondary information evening. The evening is designed to give parents the opportunity to explore our facilities and gain an understanding of what we can offer your child.

At Woodbridge School we offer:

- ♦ Small class sizes, allowing teachers to build positive relationships.
- ♦ Rich and diverse learning opportunities based on the Australian Curriculum.
- ♦ Differentiated teaching and learning.
- ♦ Unique and innovative programs: Media, Outdoor Education, German, STEM, Maths Methods, Photography, Music, Digital Technology, Design Technology, Paddock to Plate, Drama, Business and Economics, Journalism and more
- ♦ Student, parent and community partnerships at all levels of schooling from Kinder to year 10.
- ♦ Brand new, architecturally designed teaching and learning spaces.
- ♦ An architecturally designed and rejuvenated Marine Discovery Centre.

Please join us for a guided tour around the school.
