Where Where Wedie Day

My favourite part of Where Where
Wedie day was the mashmallows. We
all got two mashmallows they were so
delicious. I had a really great time in
the out door leaning area with all the
three fours thank you Mrs Manshandon.

We went to Mrs Manshandon to look for
Wedge tailed eagles later on we roasted marshmallows.
They were delicious. Bella

When I ^{sky} ^{3/4 A} was watching the
Where Where Wedgie video.
I learnt that female wedge
tail eagles are bigger than male
wedg tail eagles.

Why are wedge tail eagles brown
brown?

Do some wedgies make their nests
somewhere else other than a tree?

hmmmm

Where Where Wedgie Day out

I really enjoyed going to the outdoor learning area and doing
some observation surveys. My favourite part was toasting marshmallows by
the fire. Thank you Mrs Marshandon for making this happen it was
