

At the end of the day we all got together and roasted and toasted marshmallows over the fire. Brandon Aldred 3/4 A)

On Where Where Wedgie day I made a Pet rock and when I just finished I dropped him in the water. Toby

3/4 A

I loved making nests with Rhani and Emily we saw long fresh green grass we pick a lot of grass Rhani Emily and I could all fit in our nest.
Piper 3/4 A

Emily w-3-4a

With Mr's Newton we did heaps of observations and asked lots of questions while enjoying the bush and the bright sparking fire.

Last week on fantastic Friday
at the outdoor learning area, on
the 25/5/18 we got to build
nests. Harrison King 3+ a

I liked The marshmallows getting
gooey and chewy on the fire.
E-4a \ Jake

All the 3-4 classes were at the Where
Where Wedgie Day and it was awesome.
Zoe 34 A

Bailee 3/4 A

My personal favourite part about
Friday the 25th was toasting sticky,
tan coloured bombs of deliciousness
or marshmallows.

Madison 3/4A

Why Wedgie Why With me
James pay...

Is animal poo alive or not alive?

Why do some mushrooms grow
on trees?

(faeces)

Wedge tailed eagle's Wings grow
up to about 2 to 3 meters long.

Why Wedgie Why with me James pay...
Why do mushrooms grow on dead trees...
I wonder Why? Rhani Cowen ♡ 3/4.a

I learned that a Wedge tailed eagle's Wing
Span can reach from one Side of the Road to
the other! Oliver 3-4A
