Cyber Safety Awareness Week

For details visit library.wanneroo.wa.gov.au

Humpty Dumpty installed a firewall,
Humpty thought it was a good call,
Now all of the viruses,
hackers and spam
Can't access his email
cos' only he can.

be eSmart &
install security
software.

Little Miss Murfitt, wanted to surf it
Spent hours in chatrooms each day
When along came a poser
Who tried to expose her
To things that would lead her astray.

be eSmart –
don't respond and
block anyone who
makes you feel
uncomfortable
online.
