Old King Cole was a merry old soul,  
managing his business online.  
He paid all his bills, to him  
a great thrill;  
and remembered to  
log out each time.

**be eSmart** –  
always log out  
when you finish  
your internet  
banking.

There was a crooked man  
who scammed across the miles.  
He accessed your computer  
and stole important files.  
He scanned all of your details  
to find your account and PIN,  
allowing him to help himself  
to everything within.

**be eSmart** – don't email  
your account details, PIN or  
other financial information.
