

KINGBOROUGH MAKERSPACE

Term 4 Program

October – December 2018

TIME	WORKSHOP	VENUE
1pm-2pm Tuesday 9 October	School Holiday Session – littleBits Kids spend many hours with electronic devices every day, but most of them don't know how they work, or how to make their own. littleBits kits are composed of electronic building blocks that are color-coded, magnetic, and make complex technology simple and fun. They are interchangeable in millions of different ways to empower kids to invent.	Meeting Room Kingston Library Hutchins Street, Kingston Max 6 participants
4pm-5pm Monday 15 October	Curiosity Session – UV Bead key tag or bracelet Make your own groovy key tag or bracelet using a combo of normal and UV beads. Watch them change colour when out in the sun.	Meeting Room Kingston Library Hutchins Street, Kingston Max 12 participants
4pm-5pm Monday 29 October	Curiosity Session – littleBits Kids spend many hours with electronic devices every day, but most of them don't know how they work, or how to make their own. littleBits kits are composed of electronic building blocks that are color-coded, magnetic, and make complex technology simple and fun. They are interchangeable in millions of different ways to empower kids to invent.	Meeting Room Kingston Library Hutchins Street, Kingston Max 6 participants
4pm-5pm Monday 12 November	Curiosity Session - Coding with Dash and Dot Come meet Dash and Dot and learn how to code around an obstacle course that you design. These cute robots are interactive and lots of fun. A fun introduction to coding and app based robotics.	Meeting Room Kingston Library Hutchins Street, Kingston Max 12 participants
4pm-5pm Monday 26 November	Curiosity Session – Make an Easy Lava Lamp Learn how to make an easy lava lamp with this fun science experiment. Use simple household items and a plastic bottle to create chemical reactions and funky balls of colour that move around like a real lava lamp.	Meeting Room Kingston Library Hutchins Street, Kingston Max 12 participants
4pm-5pm Monday 10 December	Curiosity Session – Christmas Craft Decorate a Christmas bauble, make a star bead ornament to hang on the tree or design your own Christmas card. Lots of festive, fun craft for our last Makerspace session for the year.	Meeting Room Kingston Library Hutchins Street, Kingston Max 12 participants
