LEGO® HOLIDAY WORKSHOPS

BRICKS 4 KIDZ® school holiday workshops with LEGO® Bricks are a fun way for boys and girls to spend their school holidays in Hobart.

With our own special BRICKS 4 KIDZ® models and lot of creative free-play building, kids always have fun at our LEGO® workshops!

Our school holiday programs are designed for kids aged 5 – 12 and are staffed by trained, screened BRICKS 4 KIDZ® instructors. Children will rotate between different stations during our sessions and work and play with different types of LEGO® - including Technic pieces such as gears, axles, electric motors as well as coding and programming LEGO® models in our Robotics Workshops. We also have heaps of fun in our break times – with different ball games and fun activities!

Cost

One day workshop	\$80	incl GST
Half day workshop	\$40	incl GST
