

Channel Highway, Margate Road Maintenance

January 2020

Start of work on Channel Highway, Margate from Monday 10 February

The Tasmanian Government is funding essential road maintenance work on the Channel Highway, between the Margate Community Hall and Baretta. This work will strengthen and improve the condition of the road for all road users.

The Department of State Growth will carry out the works, which includes sections of road resurfacing and localised repairs. We will be working **from Monday 10 February, Monday to Friday from 7am to 6pm and will finish in May**, weather permitting.

We will let you know in advance if we need to do any work outside these times.

How will the work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by arranging the work in stages at different locations, and turning off machinery and vehicles when not in use.

Traffic changes

There will be some temporary traffic changes to ensure the safety of workers and road users.

Lane closures and a reduced speed limit will be in place during work hours and may affect travel times. One lane of traffic will remain open at all times. Please keep to speed limits and follow the directions of traffic controllers and signs.

Contact

If you have any questions, please contact Shaw Contracting Project Manager Warwick Eaton on 0400 261 106 or warwicke@shawcontracting.com.au.

For more information on our projects, visit transport.tas.gov.au.

Thank you for your patience during this important work.
