

## Guidelines

- Our Launching into Learning program, Little Sprouts will operate on Thursday morning between 9am—10:30am.
- We will apply the social distancing rules and can accommodate 20 adults at each indoor session in addition to Renae, Kath and myself. Children are not included in the numbers.
- We will run indoor/outdoor activities (weather permitting) to enable us to maintain social distancing and allow for more than 20 adults.
- If weather is inclement, we may open the doors to the adjacent Kinder classroom to enable us to maintain social distancing with numbers beyond 20.
- We have decided against a booking system at this stage but if number of participants increase we may need to reassess.
- Adults will be required to sign in with contact details. This will assist in contact tracing if required.
- We will NOT have shared fruit platters but ask you to bring fruit and vegetable snacks for your children to eat at snack time.
- Please do not attend if you or your child are unwell or showing signs of being unwell.
- Children put things in their mouths. Please help us by placing mouthed equipment in the tub in the kitchen area throughout the session so we can wash them.
- We ask that good personal hygiene practices are adhered to with handwashing on arrival and after using toilets.
- We ask you to respect these guidelines so we can all enjoy learning together again and stay safe.
