

YEAR 5/6 A AND 5/6 B

Our Year 5/6 A&B students have begun the school year successfully. All have been busy learning about our agreed expectations, our routines and varying program experiences with Mr Mac and Miss Heard.

Together we are establishing ourselves within our team and our open learning environment. It has been an enjoyable first few weeks getting to know everyone and we are look forward to the term and year ahead.

Along with showing Snug CARES, we have agreed on these values to uphold in 5/6A and 5/6B.

- We have a growth mindset*
- We are inclusive*
- We challenge ourselves*
- We are problem solvers*
- * We care*
- * We are a team*
- * We lead*
- * We are eSmart*

We have Mr Mac for Maths and Science and Miss Heard for English and HASS. We meet together each morning and sometimes have other subjects as a whole 5/6AB group.

We are enjoying being in different learning groups to our home group and sometimes even in straight Year 5 and Year 6 groups.

Stay tuned. Next newsletter we have much more to share with you....
