

DFECKS LEGO® HOLIDAY WORKSHOPS

we learn, we build, we play with **LEGO**[®] Bricks

BRICKS 4 KIDZ® school holiday workshops with LEGO® Bricks are a fun way for boys and girls to spend their school holidays in Hobart.

With our very own special BRICKS 4 KIDZ® models and lots of creative free-play building, kids always have fun at our LEGO® workshops!

Our school holiday programs are designed for kids aged 5 – 12 and are staffed by trained, screened BRICKS 4 KIDZ® instructors. Children will rotate between different stations during our sessions and work and play with different types of LEGO® - including Technic pieces such as gears, axles, electric motors as well as coding and programming LEGO® models in our Robotics Workshops. We also have heaps of fun in our break times - with different activities!

APRIL SCHOOL HOLIDAYS 2021

Location: Hobart Address: Ogilvie High School, 228 New Town Road, New Town

Thursday 15 th April Full day 9am – 4pm Minions Half day 9am – 12pm Amusement park Half day 1pm – 4pm	MINION MADNESS VS AMUSEMENT PARK MAYHEM Who doesn't love those little yellow guys? Come and build with us as we adventure through the Minions madcap world all made out of LEGO®. Kids will use fascinating and challenging LEGO® components to create dynamic Minion-inspired inventions, machines and more. In the afternoon, get your ticket to ride with BRICKS 4 KIDZ® Amusement Park Mayhem. Kids build their favourite rides, learning how to make things spin, roll, turn and rock. Ages 5+
Thursday 15 th April Full day 9am – 4pm	JUNIOR ROBOTICS 101 How would you like to turn your next LEGO® creation into a robot, programmed to do exactly what you tell it to do? The Junior Robotics 101 workshop offers all the fun of building with LEGO® Bricks PLUS the challenge of software coding. Using drag-and-drop icon-based LEGO® WeDo® software, the workshop provides an introduction into the world of computer programming and robotics that will equip children to succeed in a technology-based marketplace. This fun, action-packed one day workshop combines real-life skills with real-kid fun! Strictly Ages 7+
Friday 16 th April Full day 9am – 4pm Half day 9am – 12pm Half day 1pm – 4pm	VIDEO GAMES GALORE Combine your child's love of video games with LEGO® in this action packed workshop. Bring their favourite games to life such as Angry Birds®, Pokémon®, Mario Bros®, Pac man®, MineCraft® and Sonic Hedgehog® by building 3D and mosaic LEGO® models of their favourite characters. There are also motorised models to maximise the action! You don't need to win the game in this workshop - just bring along your creativity and awesome LEGO® building and you will have so much fun! Please note: there isn't any actual playing of video games in this workshop. Ages 5+
Friday 16 th April Full day 9am – 4pm	JUNIOR ROBOTICS 201 After the success of our Junior Robotics 101 Workshop we have a continuation on from this with our Junior Robotics 201 Workshop. With exciting new models to build and program, we will be introducing sensors to extend and challenge in this exciting workshop. This is sure to please any young budding programmer. Only open to students who have attended Junior Robotics 101. Strictly Ages 7+ JUNIOR ROBOTICS 301 Expanding on from our Junior Robotics 101 and 201 Workshops, students will continue to broaden their knowledge of sensors including voice commands to make their models move. Exciting new models to build as well the some of the usual favourites but with extra challenges! This is sure to please any young budding programmer. Only open to students who have attended Junior Robotics 101 and 201. Strictly Ages 7+ Please note 201 and 301 will be run in the same workshop these holidays due to limited days of workshops being available. Please book your child into the workshop they would like to do noting they can't do 301 without having done 201.
