

Have we taken a copy of your  
**WWVP** card?

In order to be involved with parent help at school you need to have a Working With Vulnerable People card. If you have one but haven't shown the office staff, please do so. If you haven't applied for one or if yours has expired, please go to <https://www.cbos.tas.gov.au/topics/licensing-and-registration/registrations/work-with-vulnerable-people>.
