Wednesday, 20 July
Thursday, 21 July

Ages: 6-14 years

Cost: \$6.00 per child

Bookings to:
john.wadsley@maritimetas.org

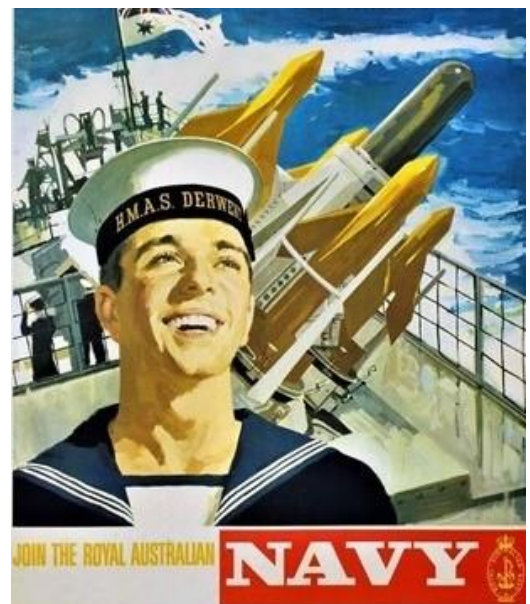

You have joined the Navy. So come aboard our new unique display – the Captain's Cabin from the Royal Australian Navy destroyer, HMAS *Derwent*, which served from 1964 to 1994.

All the furniture, lighting, communications equipment and fittings are original, even the port holes! So, it makes the perfect location for this holiday program. We will explore just what a navy captain would have to do each day and what the crew would have to do for him! How would you deal with an emergency on board? What orders would you make for the day? If you were the captain's steward, what meals would you prepare?

We will also have a chat about the history of the navy in Tasmania. There have been some famous naval ships that have visited the port of Hobart, and some have brought some very important people with them!

AND THERE'S MORE! At the Maritime Museum, we have just opened our brand-new exhibition in the Carnegie Gallery. It features many interesting stories on Tasmania's maritime heritage. We have hundreds of objects, paintings and photographs on show, many of which have never been displayed before.

**YOUR ENTRY TO THE SCHOOL HOLIDAY PROGRAM GIVES
YOU AND YOUR CARER ACCESS TO ALL THE MUSEUM'S
DISPLAYS ON THE DAY!!**

NOTE: Places are limited, so please email us to make a booking very soon.
